Defendants.	)	

---

On August 14, 2012, the Court ordered Plaintiff to within forty-five days file a response to Defendants' summary-judgment motion. The Court stated, "Failure to meet this final deadline will result in dismissal of this case." The summary-judgment motion was filed on February 28, 2012, so Plaintiff has had several months in which to respond. During that time, he has been granted time extensions, which he has not observed. The Court last heard from Plaintiff on July 27, 2012, when he filed an affidavit in support of his motion to appoint counsel, which was denied on February 8, 2011.<sup>1</sup> Plaintiff has not responded in any way to the order giving a final deadline for a response, nor has he submitted a change of address.
